

GCE_Submissions Database :: GCE File Archive Tables (for managing documents, maps, imagery)

Implemented using SQL 2000 by Wade Sheldon <sheldon@uga.edu>

Version 1.4 (31-Jan-2008)

Note: Document information and file urls stored in the GCE Bibliographic Database (GCE_Biblio) are cross-referenced to this database using views to provide integrated searching for reprints and presentation files in addition to archived files
